

Election of Officers for 2008.

Nominations for officers for the NEWSTAR Board for the year 2008 remain open until the election is called during the club meeting on November 21, 2007.

Nominations to date include:

(Alphabetically)

Terry Becker

Nate Jones

Jon McKenzie

Bob Peterson

Tom Riederer

Additional nominations are welcome. Since the NEWSTAR Constitution calls for a Board of 5 officers and a secret ballot, we need at least one more nomination in order for the election to be more than a formality.

WOW - Wisconsin Observers Weekend 2008

WOW is a traditional event. It was started soon after NEWSTAR was *born* over 20 years ago and has been a highly anticipated event. NEWSTAR members enjoy a reduced registration fee and have first priority for the limited space at Hartman Creek State Park. Registration for members only begins at the November meeting.

Prior to that meeting, members will receive an e-mail which includes a registration form plus Club and State Park rules. Non-members will not be registered until after the February NEWSTAR meeting.

Membership Renewal

While I am at it, NEWSTAR membership is on an annual basis, and since the right to reduced WOW rates depends upon your continued membership, you will receive an e-mail with the membership form attached. Bring *both* forms to a meeting and save postage! Or mail them as instructed.

Bob P.

Note: (Not a part of the newsletter) I am sending this to the board members to assure that all agree. I will follow with *draft* copies of the registration form and the membership form.
